### Why We Raise Funds

The mission of Seeds of Hope AZ is to promote opportunities to improve lives through relationships and community development.

Their efforts include helping members in the community build their resume and teach soft skills so they can acquire a job for life. They provide weekly activities for seniors to socialize, and social media, email, and online safety classes. Volunteers at Seeds of Hope provide a structured learning environment for children in elementary school with homework help and education on pro-social behaviors. Teens receive leadership training. Volunteers serve hot meals at a local church throughout the week. They work with clinic doctors and nurses to provide basic medical care, prescriptions, and referrals.

Their love they have for our the people in our community is inspiring. As REALTORS®, we believe in the American Dream and homeownership. With the aid of Seeds of Hope, our community members can build their business and personal skills, have a meal and get the medical attention they couldn't afford, and learn how to give back to the community, so they have the opportunity to fulfill their American Dream.

Dear Sir or Madam:

This letter is in response to your telephone call requesting a copy of your organization's determination letter. This letter will take the place of the copy you requested.

Our records indicate that a determination letter issued in September 1997 granting your organization exemption from federal income tax under section 501(c)(3) of the Internal Revenue Code. That letter is still in effect.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.
