WeSERV Celebrates the Top 40 Under 40 Real Estate Agents and Rising Stars

Each year, the WeSERV Young Professionals Network (YPN) has the honor of announcing the top 40 Under 40 Real Estate Individuals, Teams, Mega Teams. These incredible REALTORS® are among the elite real estate professionals in the state. They have dedicated countless hours to bettering their business and meeting their clients' needs before and after closings. In addition to their drive and determination for real estate, these agents have a passion for serving their communities. They understand the importance of lending a helping hand to those in need and prioritize their time toward volunteerism.

We have three (3) individuals who met the criteria; however, they work under a team lead who either didn't apply for an award or is over 40 years of age. Therefore, YPN is applauding their efforts and recognizing them as Rising Stars.

WeSERV is proud to congratulate all of the 2022 Young Professionals Network 40 Under 40 Award recipients and our Rising Stars.
